Dear Parish Family,

As you may know, Nassau County is a COVID-19 hotspot and hospitals, including Baptist Nassau, are filling up. We are at a tipping point.

Therefore, masks will be required at all church services and classes. No one likes masks, they aren't perfect, but we need to do whatever we can to protect our children under 12 and each other. I am not re-instituting social distancing ribbons at this time but please take care to sit in family groups. All services will be in the church; it's just too stormy and hot for outdoor services.

As always, the 9:00 and 11:00 am services will be online on Facebook and YouTube. The Celtic service is also this Sunday at 6:00 pm and will be broadcast online as well.

Jesus said, "Do unto others as you would have them do unto you." Thank you for your patience and understanding as we cope with this public health emergency.

Blessings to you,

The Reverend Dr. Marcia King
Interim Rector
St Peter's Episcopal Church
