Because this cemetery is Episcopal, *burial services* at the Cemetery will follow Episcopal liturgical services.

The church has developed rules and regulations to preserve both the beauty and dignity of this historic cemetery, as well as for the mutual protection of plot owners, the individuals buried here and the cemetery as a whole. This brochure summarizes those rules and regulations. *It should not, however, be considered all inclusive.* A complete copy of the Rules and Regulations may be obtained from the church office.

The Rules and Regulations includes guidelines and restrictions for
